THE URBANIST UPDATE 2.15.10

Every two weeks we ask one of our favorite San Diegans: If you only had 24 hours to show a friend the best in urban San Diego, where would you take them?

DJ Artistic djartistic.com
Lives: North Park

Works: La Mesa (Guitar Center) + DJ's all over SD

How Long: 8 years

BREAKFAST: Ranchos: Soy Chorizo w/ Black Beans and whole wheat tortillas w/ fresh salsa. I'm addicted, I get it every time.

LUNCH: I like family run businesses so for lunch I go to Fatboy's Deli on University. It's close to my house so I can bike or skate. Great people work there and the conversations are always fun. They help me stay away from fried foods. The veggie sandwich really does it for me, I'm trying to watch my figure if you know what I mean. Fatboy's really warms up the community.

DINNER: I'm a big pizza fan so I go to Sicilian Thing Pizza because it's fresh (you watch them make it) and they offer veggie slices. Super friendly place, the employees call you by your first name and treat you like a King or Queen. Great place to see North Park's community interaction.
The best part about living in North Park is you get to see the diversity of businesses and the people. The freaks come out at night!

BAR: U31 is my favorite because I've DJ'ed there since back when it was Buster Daly's. I shot my second video (DeepRooted "crazy") there which by the way has been in constant rotation on MTYU for the last 3 months (shameless plug). U31 has a kitchen with killer fish and chips and 20 flat screens. I'm DJing there every Thursday night www.GenerationsParty.com My second favorite would be Bar Pink, the people are great, drinks strong and the hipsters love them some DJArtistic. I'm DJ'ing there on the first Friday of every month.

I love North Park!
