A hip hop crew's sound is often a giveaway as to where they come from, and the chilled, laid back sounds of Deep Rooted lay testament to the group's upbringing in San Diego, California. Having just linked with Clear Label Records, headed by Souls Of Mischief's Tajai Massey, for the release of their third album, the underground hip hop scene looks set to hear a lot more of Deep Rooted's distinctive sun-drenched vibes. Black Sheep's Mark Devlin chatted to group members DJ Artistic and Brea to find out more.
