

Plastik Funk – Rise (Original Mix)

BY: GRACE FLEISHER • SEP 7, 2017

Just last month, **Plastik Funk**'s Rafael Ximenez-Carrillo and Mikio Gruschinske released an opulent house tune featuring Alex Prince on vocals entitled "Damaged Heart" that was gleaming in its grandiose floor-filling bass and stellar up-tempo sweetness.

Now Plastik Funk is the courier of another brand new track entitled "Rise" out on **Armada Deep**. Ridden with classic house vocals and solid rhythms, "Rise" is Plastik Funk's latest contribution amongst their rise to the top. Perfect for late season beach parties and clubs alike, this cut sees the duo soar to new heights.
