## **Unlearn:Records Party feat. Vanilla Ace (Tue 22<sup>nd</sup>) | ATV Records**

Doc Brown's Unlearn imprint has been going from strength to strength, and this showcase promises to be a great night to kick off the week on Tuesday. With an entry fee of just \$10, it's also one of the best value gigs of the week and features the UK's own Sam Young aka Vanilla Ace headlining along with Doc Brown, and frequent collaborators, the super talented Lavelle Dupree & Freshcobar. This is how you start off your Miami Music Week right.

## Deep Tech LA x Docka Records Showcase (Wed 23<sup>rd</sup>) | Supernatural Haus

Perhaps, the best offer of the week comes from Redux Saints & DJ Ideal, as they are offering FREE ENTRY into their event at Supernatural Haus on Wednesday night to anyone who purchases a ticket to the One Dance Left launch party at the Surfcomber Hotel for Legendary House Music Week.

Both DJs who are also playing the Oasis stage at Ultra will play the One Dance Left party earlier in the day Wednesday as a prelude to their own event which also features EDUKE, Placebo EFX, Lady Verse & Rob Lloyd. Legendary House Music Week sees 2 parties each day, so there's a fantastic 3 party for the price of 1 deal being offered here.

Your wristband from the One Dance Lefty party will gain you entry for this killer party later that night.
